AMENDMENTS TO THE DRAWINGS:

As required by the Notice to File Missing Parts of Nonprovisional Application mailed on September 22, 2004, applicants attach a replacement sheet for Figure 17. Applicants believe that Figure 17 is reasonable free from erasures, alterations, overwriting, interlineations, folds and copy marks. Figure 17 has also been changed in that the labels for the X and Y axes have been translated to their English terminology. The English terminology reflects that the X axis is directed to time and that the Y axis is directed to the fluorescence and excitation values.

Entry of the above amendment is earnestly solicited. An early and favorable first action on the merits is requested.
